

## Women's Standard Chain Sizes (in inches)

### 14" Chain

Fits most like a choker.

### 16" Chain

Falls perfectly around the base of the neck like a collar. On a petite woman it will hit your collarbone while for plus size women it might feel more like a choker.

### 18" Chain

A common choice for women that will fall just below the throat at the collarbone. This length is popular for adding pendants which will hang over a crew neck.

### 20" Chain

It will fall a few inches below the collarbone and allow a little more breathing room. Perfect for a low, plunging neckline or if you want to wear it over a turtleneck.

### 22" Chain

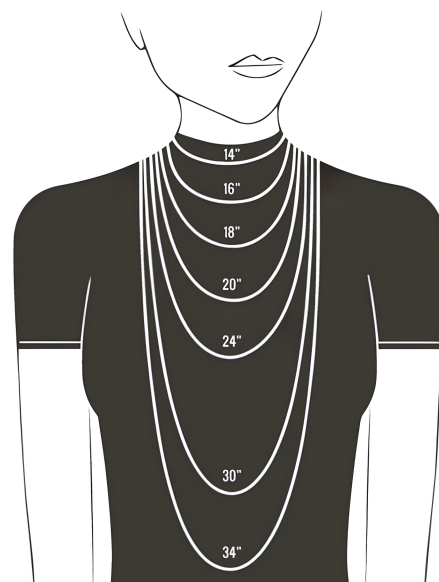

Falls at or above a low neckline.

### 24" Chain

Falls below any neckline.

### 36" Chain

Common with pearl strands and will hang below the upper chest. They can be worn as a single strand, or you can double them for an 18-inch necklace.

## Men's Standard Chain Sizes (in inches)

### 18" Chain

A shorter length that falls just around the base of the neck. Popular for beaded necklaces so they can sit above a crew neck t-shirt.

### 20" Chain

A common length for men which falls right at the collarbone. Pendants will hide under a crew neck or show completely with a low v-neck or unbuttoned dress shirt.

### 22" Chain

Falls a few inches below a collar bone and can be worn over or under a shirt. This is a common length for chains for men.

### 24" Chain

Extra long and is commonly used to keep religious or meaningful pendants under the shirt and closer to the heart.

### 30" Chain

The longest of a standard-length for men chains, this length is designed to be worn over the shirt.
